Full Size Table View

1. Attendance switch
To mark/change individual attendance status

2. Subject
Visual indicator with color correspond to subject

3. Student Late
Visual indicator to signify that student was late

4. Scale Table
This bar will help to reduce horizontal width of each table in order to accommodate maximum tables at one glance only

Scaled Down Table View

1. Teacher not Assigned
This icon indicates that student is not yet assigned to this particular session.

2. Teacher Assigned
Visual indicator to signify that student was late

3. Subject
Visual indicator with color correspond to subject in this session

4. S/S
Number of student enrolled to total capacity of seats

5. Conflicts
This lace in the card will be assigned for indicating conflicts in particular session

6. Scale Table
This bar will help to reduce horizontal width of each table in order to accommodate maximum tables at one glance only

Expanded Calendar

1. Incremental Day Switcher
The arrow icons will be used to shift the days incrementally as next or previous days.

2. Action bar
The side bar actions will be shift to bottom once one action is expanded so that user don't have to go back and forth to switch to different action.

Calendar	Filter	SOF	TA	SA

Expanded Filter View

1. Search
Search in filter will give flexibility to filter by student/subject name with ease .

2. Filter applied indicator
Bubble and number indicates that specific filter is applied and how many values in specific filters are selected.

3. Clear filter
To easily remove all filters in one click
